

## Tree Top

Tree Top, Inc. is an agricultural cooperative owned by more than 1,000 growers throughout Washington, Oregon and Idaho.

Founded in 1960 as an apple processor, we now process almost every fruit under the sun. We operate eight facilities that take fruit from nearby fields and orchards to produce a variety of quality fruit-based products.

Tree Top competes in a global environment, but we're deeply rooted in our small-town heritage. We have always focused on doing the right thing and being a good neighbor.
